Only those applicants who have completed and documented the required education requirement and supervised experience, including the direct supervision requirement, will be eligible to register for the written examination. Although general applications are accepted at any time, the applicant is strongly advised to plan ahead and submit the general application requirements well ahead of the published deadlines to register for an upcoming examination so an eligibility determination can be made. General applications received less than 2 weeks prior to the registration deadline for an examination may not be reviewed in time to determine the applicant's eligibility for the upcoming examination. When the applicant qualifies for the written examination by virtue of documenting the education and supervised experience requirements, an examination application packet will be sent with instructions to submit the application by the established deadline for the upcoming examination cycle. If the applicant does not pass the examination, the applicant will have the opportunity to apply to re-take the examination and pay the examination fee.

If the applicant passes the written examination, a certificate of certification will be issued, signed by the Director of Health.
