

GENERAL INFORMATION & INSTRUCTIONS FOR APPLICANTS CERTIFIED CLINICAL SUPERVISOR

1. The credential of Certified Clinical Supervisor (CCS) fulfills two purposes. First, and most important, the public has a means by which to identify individuals who have met the minimum requirements as set forth in Hawaii Administrative Rules 11-177.1. Second, individuals are recognized for the time, education, and experience they have accumulated in the profession of alcohol and drug counselor clinical supervision. Certification is meant to recognize a clinical supervisor's accomplishments and competence in providing alcohol and drug counselor clinical supervision, and not as an entry-level credential.

***NOTE: You may complete and forward your general application before you have completed your supervision and/or education requirements. ADAD will establish a file and notify you whenever documents that substantiate your education and experience are received.**

Once ADAD receives the application information a review of the applicant's file will be conducted and a status letter sent to the applicant. Only those applicants who have completed and documented the required education requirement and supervised experience, including the supervisor experience requirement, will be eligible to register for the written examination. Although general applications are accepted at any time, the applicant is strongly advised to plan ahead and submit the general application requirements well ahead of the published deadlines to register for an upcoming examination so an eligibility determination can be made. General applications received less than 2 weeks prior to the registration deadline for an examination may not be reviewed in time to determine the applicant's eligibility for the upcoming examination. When the applicant qualifies for the written examination by virtue of documenting the education, supervised experience and supervisor experience requirements, an examination application packet will be sent with instructions to submit the application by the established deadline for the upcoming examination cycle. If the applicant does not pass the examination, the applicant will have the opportunity to apply to re-take the examination and pay the examination fee.

If the applicant passes the written examination, a certificate of certification will be issued, signed by the Director of Health.
